## SENATE BILL No. 86

DIGEST OF SB 86 (Updated January 23, 2008 5:53 pm - DI 106)

**Citations Affected:** IC 11-8; IC 36-2; noncode.

**Synopsis:** Sex and violent offender registry. Establishes a three tier system for sex offenders and requires offenders: (1) in Tier 3 to register for life; (2) in Tier 2 to register for 25 years; and (3) in Tier 1 to register for 15 years. Permits Tier 1 offenders to reduce their registration period by five years if they meet certain requirements, and establishes a judicial procedure to implement this reduction. Classifies persons convicted of Class A or Class B felonies violent offenders if the difference between the person's release date and the person's post incarceration supervision is less than sixty (60) days due to facility rule violations, and provides that violent offenders are required to register for life. Requires the department of correction ("the department") to determine the appropriate classification and registration period for sex or violent offenders and establishes a judicial procedure to challenge the department's determination. Specifies that persons who commit criminal deviate conduct in a correctional facility are required to register as a sex or violent offender. Requires local law enforcement to notify schools, public housing agencies, and other organizations in each county a sex offender registers when the offender registers or updates a registration. Makes numerous changes to the sex and violent offender registration requirements. (The introduced version of this bill was prepared by the sentencing policy study committee.)

**Effective:** July 1, 2008.
